Soft Skills: Customer service, technical communication, training and mentoring, problem-solving

RELEVANT EXPERIENCE

THE HOME DEPOT

Service Desk Analyst (Contract)

Mar 2026 - Aug 2026

May 2026 - Aug 2026

- Provided Tier 1 IT support to store associates and corporate employees via phone, chat, and email, resolving 25-30 tickets per day with a 78% first-contact resolution rate and 92% CSAT.
- Logged, prioritized, and tracked incidents and service requests to closure in ServiceNow, achieving 96% SLA compliance over 3 months.
- Reset passwords, unlocked accounts, and managed user access in Active Directory after identity verification, supporting 10-15 account requests daily.
- Troubleshot Microsoft 365, Outlook, Teams, VPN, and Wi-Fi issues, including software installs, updates, and configuration, using remote support tools to keep average handle time near 9 minutes.
- Escalated unresolved issues to Tier 2, network, security, and vendor teams with clear ticket notes and steps already tried, so users never had to repeat themselves.
- Wrote 6 knowledge base articles for common store issues, reducing repeat tickets in those areas.

Front Desk Assistant

Mar 2026 - May 2026

- Trained new associates on the POS system, digital tools, and procedures, helping the team work faster with fewer errors; coordinated front-end workflow during peak hours to cut customer wait times.
- Earned a 100% cashier performance score with 20+ credit card enrollments in week one and 25+ by month end; recognized with "Service Story of the Week" and Top Credit Card Performance.

TIJX CANADA (WINNERS, MARSHALLS, HOMESENSE)

Jul 2024 - Mar 2026

Head of Cash Management

Mar 2025 - Mar 2026

- Investigated transaction and system-related issues with management, resolving data inconsistencies across digital inventory, sales, and financial systems.
- Used Excel for operational reporting and data analysis to identify cash-office discrepancies and support corrective action.
- Trained and mentored team members on cash office procedures and daily system troubleshooting.

Lead Cashier

Jul 2024 - Mar 2025

- Provided front-line technical support for POS and payment systems, troubleshooting transaction and payment issues and escalating complex problems to management.

LANGARA COLLEGE

Jan 2024 - Mar 2024

Academic Research Assistant (Contract)

- Supported research evaluating pair programming with a Genetic Algorithm; performed statistical analysis, contributed to algorithm workflow design, and documented findings.

TECHNICAL PROJECTS

Active Directory Homelab

Sep 2026 - Present

Windows Server | Active Directory | Group Policy | PowerShell | DNS | DHCP

- Building a Windows Server Active Directory lab modeled on a retail company with a head office and two stores: domain controller with DNS, DHCP and file shares, 19 users, role-based security groups, and Group Policy (in progress).
- Wrote 9 PowerShell scripts for setup, onboarding, and offboarding, and documented 9 break/fix incidents as ServiceNow-style tickets with KB articles.

[\[GitHub\]](#) [\[Project Page\]](#)

ServiceNow ITSM Lab

Sep 2026 - Present

ServiceNow | Service Catalog | Flow Designer | SLAs | Knowledge Management

- Designing a new laptop request end to end in ServiceNow: catalog item with pricing, two-level approval flow in Flow Designer, fulfillment tasks, business-hours SLAs, and a knowledge base with 5 articles (in progress).

LEADERSHIP & PROFESSIONAL DEVELOPMENT

PEER TUTOR

Oct 2025 - Dec 2025

Langara College

- Led an 8-week bootcamp for 30+ students covering programming concepts including classes, objects, and data structures.

TEACHING ASSISTANT VOLUNTEER

May 2024 - Aug 2024

Langara College Teaching and Curriculum Development Centre

- Provided one-on-one UNIX coursework support and helped professors design lesson plans and coordinate class activities.
